Haven't looked at #1. I spoke briefly to Rosemary and Kelly yesterday and they had questions

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) They didn't ask to join this call. If you think we can get them in the next 6 minutes it wouldn't hurt.

Subject: ESA Qs for today

Hi, I've a few quick items this am.

- 1) The water news letter that goes out very broadly is wanting to post the following paragraph. I have made edits. Can you confirm the edits or reedit? Thanks.
- 2) Will you be able to provide a draft of the ESA section for the 404(g) rule this week? If not when? We are getting pressure. Thanks.
- 3) Anything we need to discuss before talking to USFWS today? I never heard that anyone from the region wanted to join. Did you?

Subject: FW for Review: Draft National Tribal Water Program Updates E-Newsletter - June 2020

Good morning,

Below is a draft copy of the National Tribal Water Program e-Newsletter for June 2020. This is a monthly newsletter that goes out to the tribal water network relaying time-sensitive information and important engagement and activities of interest to tribes, related to the Safe Drinking Water Act and Clean Water Act. Recipients include EPA Headquarters Indian Coordinators; EPA Regional Indian Coordinators; AIEO and OW tribal coordinators and contacts; members of the National Tribal Caucus, National Tribal Water Council, and Tribal Science Council; and various other external tribal organizations and contacts.

This month's draft includes an announcement relating to your program – if you could, take a look at the entries, and please let us know if you have any comments or edits. We are looking for all feedback by **COB Thursday, 6/4**. All comments are greatly appreciated!

If you have any questions or concerns, feel free to reach out to me, and please Cc OW Tribal Coordinator, Karen Gude.

Thank you!
